

Did you just test positive for COVID?

Join a study and get paid to help
us learn about Long COVID.

1 in 4 people who get COVID will have
long-term health effects from it, called
Long COVID. We need your help to
learn why.

RECOVER

Researching COVID to Enhance Recovery

An Initiative Funded by the National Institutes of Health

Who can join this study?

You can join if you currently have COVID or if you tested positive in the past 30 days.

We need adults and children from all races, ethnicities, and backgrounds to join.

What will happen if I join?

You'll get paid for your time, and we may ask you to:

- Answer survey questions
- Have checkups and tests
- Take part for up to 4 years

This study will not give anyone a treatment or medicine for COVID.

If you join, you can still take treatments and medicines your doctor gives you.
