

# Why are some people sick months after getting COVID?

We need your help to find answers. Join a study to help us find ways to prevent and treat the long-term health effects of COVID, called Long COVID.

## Who can join?

You can join whether you've had COVID or not. We need adults from all races, ethnicities, and backgrounds to join.

## Why join?

- Play an important role in research to find ways to help people in the future
- Get paid for your time

## What would I do if I join?

We may ask you to:

- Answer survey questions
- Have checkups and tests
- Take part for up to 4 years

**This study will not give anyone a treatment or medicine for COVID.** If you join this study, you can still take treatments and medicines your doctor gives you.

 **Your privacy is important to us.** We will follow all laws to protect your personal information.
