

# Did you just test positive for COVID, or never had it?

Join a study and get paid to help us learn about Long COVID.

1 in 4 people who get COVID will have long-term health effects from it, called Long COVID. We need your help to learn why.

**RECOVER**

Researching COVID to Enhance Recovery

*An Initiative Funded by the National Institutes of Health*

## Who can join this study?

You can join if:

- You currently have COVID
- You tested positive for COVID in the past 30 days
- You've never had COVID

We need adults and children from all races, ethnicities, and backgrounds to join.

## What will happen if I join?

You'll get paid for your time, and we may ask you to:

- Answer survey questions
- Have checkups and tests
- Take part for up to 4 years

**This study will not give anyone a treatment or medicine for COVID.**

If you join, you can still take treatments and medicines your doctor gives you.
